

We would like to share some exciting news, the date of May 23rd annually has been designated Clinical Hypnosis Day by the American Society of Clinical Hypnosis (ASCH). We would like to share our website's information or "Tool Kit" with you for your professional use in this day of celebration or for other engagements to educate the public or other healthcare professionals on using clinical hypnosis in your practice.

We also would like to invite you to become members of ASCH (go to www.ASCH.net and find the membership tab on the upper tool bar) and/or have you join with us in promoting the use of clinical hypnosis as an effective adjunct to your current practice.

Feel free to contact us at ASCH and let us know how we can collaborate!

All the Best,

ASCH Clinical Hypnosis Day Task Force
