

**We celebrate Clinical Hypnosis Day (CHD) to recognize and raise public awareness of the many advances in research, knowledge and application of hypnosis.**

**Celebrate By:**

- Hosting talks for the public to create new excitement for hypnosis in your local area.
- Raising awareness and support for hypnosis by contacting local government officials to make proclamations for an official day of recognition in your community.

**For more information and resources on how to celebrate CHD, visit: <http://www.asch.net/Professionals/ClinicalHypnosisDay>**

**We celebrate Clinical Hypnosis Day (CHD) to recognize and raise public awareness of the many advances in research, knowledge and application of hypnosis.**

**Celebrate By:**

- Hosting talks for the public to create new excitement for hypnosis in your local area.
- Raising awareness and support for hypnosis by connecting with local government officials to make proclamations for an official day of recognition in your community.
