

AMERICAN SOCIETY OF CLINICAL HYPNOSIS

2021 DECEMBER CLINICAL WORKSHOP COVID POLICY

As an in-person event, we want to ensure the comfort level and health safety of all participants. As such, we have adopted the policy below for this workshop:

- Masks will be required of all participants, Faculty, and Staff when participating in workshop activities.
- Participants will be asked to acknowledge this policy when completing the Emergency Contacts form before the start date.
- When checking in for the event, participants will be offered the option of adding a red or green dot to your nametags to signal your comfort level with hand shaking, close-proximity conversations or hugging.
- Social distancing will be observed throughout the event.

It is important to emphasize that ***participants will be required to comply with the mask policy to participate in the workshop event.*** Refusal to do so will result in the individual being barred from participation ineligible for CE or a refund.

Please direct any questions to education@asch.org.
